W. G. Coapman, Esq.
Wisconsin Bankers' Association
Milwaukee, Wis.

Dear Sir:

Your letter of September 7th addressed to the Hispanic Society of America has been forwarded to us for reply.

I regret to advise that we have no cuts or maps of the early trade routes, such as you desire. There is just a possibility that the Geographical Society of America may have something, and I shall refer your letter to them and ask them to reply to you direct.

Very truly yours,

Secretary
